184 Inspected by DTI

The signed addendum to the inspection agreement gives permission to use Danish Technological Institute's logo and inspection mark, "Inspected by DTI", combined with the identification number of the inspection agreement, 184. The mark can be used on products and packaging and in connection with specific and unambiguous sales promotion of the products/approvals included in Appendix A. The mark must not be used for general advertising, etc. unless a specific permission is given by DTI. The inspection mark shall be in accordance with the graphic files that were forwarded by email. The addendum is valid as long as the inspection agreement is in force.
